Missouri Market Development Program FY15 Projects

Projects

- MMDP Financial Assistance is targeted towards developing and expanding manufacturing capacity in Missouri by assisting businesses with the purchase of equipment needed to enable manufacturing facilities to use recovered materials.

The MMDP FY 2015 new investment in six Missouri companies helped our economy and environment:

- Leverage almost \$8.2 million in total investment
- Create 56 Missouri jobs
- Divert almost 17,000 tons annually from Missouri landfills
- The avoided disposal costs for the materials used in these projects combines to almost \$2.3 million each year.
